About Me

I am a Sophomore at UIT Ku pursuing Bachelor's in Computer Science student with a growing interest in Data Science. I am familiar with HTML, CSS, C, Python, DSA, and DBMS and constantly working on improving my skills. I enjoy learning about data analysis, machine learning, and problem-solving through technology. My goal is to build a career in Data Science, where I can apply my knowledge to extract insights from data and develop innovative solutions. I am eager to gain hands-on experience, work on real-world projects, and expand my expertise in this field.
